### Moultonborough Public Library

The library will open at 10 am on October 4 to allow for staff planning. We will be closed on October 14 to honor Indigenous Peoples' Day/Columbus Day.

Starting on October 15, Libby and Hoopla will require a PIN to access our digital libraries, even for existing users. This PIN will be the same password that is used to log into one's account on the library's website. Patrons should follow the prompts given in both apps on their first use after October 15. Patrons can stop at the library for help with the PIN number at any time after the implementation date of October 15. We realize that this process could be inconvenient at first, but it will provide a safer, more reliable digital reading experience.

Come watch *The General*, one of the most popular films of the silent film era, on the library's big screen with live musical accompaniment by musician and silent film enthusiast Jeff Rapsis on October 3, 7 pm. Released in 1926, *The General* features Buster Keaton in the starring role and as co-director of the film. Buster's Civil War-era masterpiece follows the story of a Confederate railroad engineer whose train is hijacked by Northern spies. It is one of the greatest films of any era! Enjoy a classic silent film with live music. Free and open to the public, it is made possible by funding from the Friends of the Moultonborough Public Library.

We are still seeking volunteers for focus group meetings to discuss community needs that will lead to the establishment of future goals for the library. To volunteer for one of the meeting times below, please register on our library calendar or call the library. Each date and time is linked to the registration page.
