

MOULTONBOROUGH RECREATION DEPARTMENT

# SLIPPERY SLOPE SHOWDOWN

Cardboard Box Sled Event!

Bring your creativity,  
teamwork and winter  
spirit for a downhill  
challenge like no other!

Design and build your own  
cardboard sled using only  
cardboard, duct tape, glue, pool  
noodles, wax and paint.  
(No other materials may be used)

Sleds will be inspected for safety  
before hitting the hill.  
Then it's race time—speed, style,  
and silliness all welcome!

Prizes will be awarded in  
several categories.

See our website for full rules  
and requirements.

Awards to follow

Bring your creativity, teamwork, and winter spirit for a downhill challenge like no other! Families will design and build their own cardboard sleds using only approved materials. Sleds will be inspected for safety before hitting the hill. Then it's race time—speed, style, and silliness all welcome!

**Approved Supplies**

You may **ONLY** use the following materials in your sled build:

- Cardboard
- Duct tape
- Glue
- Pool noodles
- Wax
- Paint

*No other materials or hardware may be used.*

**Rules & Regulations**

**Sled Construction**

1. Sleds must be built entirely from approved materials only.
  2. No wood, metal, plastic, screws, staples, or commercially made sled parts.
  3. Pool noodles may be used for structure, edging, bumpers, or style.
  4. Sleds cannot be wider than 6ft or longer than 10ft.
  5. Wax may be used on the bottom to increase slide.
- Paint is allowed for decoration only—no sealing or waterproofing products.

**Safety Requirements**

1. All riders must wear helmets (bike, ski, or snowboarding helmets accepted).
  2. Minimum of 2 riders with a maximum of 6. No riders under the age of 3.
  3. Sleds and teams must pass a safety inspection before they can race.
  4. Sleds must not have sharp edges or protruding pieces.
- Riders must be securely seated; no standing or kneeling unless approved at inspection.

**Race Rules**

1. Races will run between 2:00 and 3:15 PM.
  2. Racers must start from the official start line—no running starts.
  3. Each sled will be allowed **two runs**; best run counts.
  4. To qualify as a finisher your entire team must be in the sled as it crosses the finish line, rather than chasing it or being chased by it.
  5. Crashes happen, but intentional collisions or unsafe behavior will result in disqualification.
- Have fun and show good sportsmanship!
